

Artifact Discovery Worksheet

An **artifact** is a remaining object from the past that was made or used by humans.

What do you think the artifact is?

What is the artifact made of? (Circle all that apply)

Wood

Stone

Paper

Metal

Leather

Glass

Fabric

Ceramic

Bone

Other

What is the texture of the artifact? (What do you think it feels like?)

What is the shape of this artifact?

What color is this artifact?

What are three words you would use to describe this artifact?

How do you think the artifact was used?

What time period do you think the artifact was used in (example: 1750, 1800)?

Who would have used this artifact?

Do we use this artifact today?

After examining this artifact closely, have you changed your mind on what you think this artifact is?
